

## INTRODUCTION FOR 'TINA MURRAY

'Tina Murray has been designing lives for over 30 years.

She uses her skills as a qualified interior designer to create personal growth solutions as a life coach, author and professional speaker specialising in Change, Innovation and People Management.

For over 30 years, both as a Manager and a Designer, 'Tina has immersed herself in the Design, Innovation and Management fields, focusing specifically on Leadership and Company Culture and its effect on both Individuals and Corporates.

'Tina has experienced first-hand the effects of Leadership and Culture on Workplace Innovation and Productivity.

Today, she shares her wealth of experience in influencing how people Behave, Think, Interact and Feel to remind us that the Business of the Future must be People-Focussed.
