

INTRODUCTION FOR 'TINA MURRAY

'Tina Murray has been designing lives for over 30 years.

Today as a Coach, Speaker, Podcaster, Author and Workshop Facilitator, 'Tina uses her innovative insights and deep understanding of human behaviour to empower her clients to lay their own foundations for personal fulfilment.

Great design is tailored specifically for the client's unique aspirations and needs.

Likewise, 'Tina's Design You® process guides her clients to conceptualise, and then build their own Strategic Personal Brief and create a Blueprint to construct the life they really want.

Any renovation brings with it challenges, discomfort and opportunities for growth.

I trust you are ready...because today is the day you Design You®

Please Welcome 'Tina Murray!
